LIMITATION - BLACK POWDER ON PREMISES

This endorsement modifies insurance provided under the following:

MARINE GENERAL LIABILITY – MARINA OPERATOR'S LEGAL LIABILITY

The following paragraph is added to Section II – General Liability, paragraph 2., Exclusions.

This insurance does not apply to:

Black Powder On Premises

“Bodily injury” or “property damage” arising out of or alleged to arise out of the use, presence, or storage of any black powder on the insured premises.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the “occurrence” which caused the “bodily injury” or “property damage” involved the use, presence, or storage of any black powder.

We shall have no duty to defend or indemnify any claim, demand, “suit”, action, litigation, arbitration, alternative dispute resolution or other judicial or administrative proceeding seeking damages for equitable relief, injunctive relief or administrative relief when any actual or alleged injury arises out the use, presence or storage of any black powder on the insured premises.

This exclusion does not apply if:

Any loose or bulk black powder on the premises is kept in a secured and locked, fire and explosion proof, cabinet away from the general public at all times.

All other terms and conditions of this policy remain unchanged.
