The following is added to **OTHER POLICY CONDITIONS AND WARRANTIES:**

Vessel Marking at Jobsites Warranty

As a condition of coverage, it is warranted that the “insured”, upon arriving at a jobsite, will place and maintain a lighted rope and buoy system and will post no wake zone signs that are of proper type and size. Both the lighted rope and buoy system and the zone signs are to be in operating order and surround all “vessels” at the jobsite until the “vessels” are removed.

This insurance does not apply to “bodily injury” or “property damage” arising out of or resulting from the failure of the “insured” to comply with the requirements as stated above. “We” will have no duty to defend or indemnify any claims or suits seeking damages for “bodily injury” or “property damage” arising out of or resulting from the failure of the “insured” to comply with the requirements as stated above.
