

Century's Motor Truck Cargo program allows you to write many commodities in your Binding Authority!

- For Motor Truck Cargo Carriers (common or contract) that require legal liability coverage of goods hauled for others
- **Coverage for scheduled vehicles only - all trucks and truck tractors must be listed on form CIM 1503 to be considered a scheduled vehicle**
- Filings will be done by Century upon policy issuance with a fully completed CGA 7008 sent to mtc@centurysurety.com Please email as soon as you bind coverage. (Please see EUM for further details)

Basic Requirements for Writing This Class:

- Current Driver List (including excluded drivers) with current MVR's that are dated no more than ninety (90) days prior to the account's coverage effective date.
- MVR should be ordered annually from each state in which the driver(s) has held an operator's license during the last three years (36 months). MVR criteria is included in EUM.
- Signed and completed ACORD application
- Signed and completed Motor Truck Cargo Carriers Legal Liability Supplemental Application (CSL 7044) or equivalent
- Safer Report [click here](#)
 - **Prohibited** – When an individual risk meets at least one of the following Out of Service (OOS) percentages
 - Driver Out-of-service of over 15%, if 4 or more inspections
 - Vehicle Out-of-service of over 40%, if 4 or more inspections
- Minimum 3 years loss runs required, if available 5 years must be provided.
- If in business less than three (3) years loss runs are required for all years in business
- All new and replacement drivers must be reported immediately to Century underwriting
- Unattended Truck – Alarmed Vehicle Endorsement (CIM 1561) is Mandatory for several commodities which can be found in the EUM

Click For all The Guidelines in the EUM and Follow the Instructions Below

Please make sure “programs” is selected. Then choose “Inland Marine” and “Motor Truck Cargo”, and the state of the risk for state specific guidelines.

All other details and requirements including Brokerage guidelines and Prohibited risks can be found in the EUM.

Please review thoroughly before quoting a risk. If you have further questions, please reach out to your P&C Underwriter
