

Century is your binding authority market for *Motor Truck Cargo*.

We've nearly doubled our writings in the past two years.

We just increased your Motor Truck Cargo Authority!

- We've increased the limits within your authority on over 65% of commodities
- We've added even more commodities within your authority - including Electronics and Computer & Computer Parts
- We are no longer prohibiting Alcoholic Beverages, Ammunition, and Copper & Copper Products. These are now available on brokerage basis.
- Authority for Parcel Carriers/Couriers/Amazon Drivers now based on commodity

Our MTC product features:

- Limits up to \$300,000 within your authority (based on commodity)
- \$800 minimum premium
- Additional Coverages available through referral:
 - Reefer coverage
 - Loading & unloading (household goods movers)
 - Contingent Cargo coverage
 - Specific shipper increased limits (when required by contract)
