

SAME DAY SERVICE

New SameDay Service Submission Requirements

As part of Century's commitment to **continuously improve our processes** and technology, we are working on programming Century Online (COL) to **identify target risk criteria and notify users when a submission qualifies for our SameDay Service.**

While this work continues, we are committed to maintaining and improving service levels. To support these efforts we are **amending some of the submission characteristics that qualify for SameDay service.**

Effective today, SameDay service submissions must meet the following eligibility requirements:

- Binding Authority Classifications
 - Property – Within TIV Authority
 - Casualty – Within Premium Authority
- Accounts Entered into COL
- Complete Acord, Supplemental, and Loss Information

SameDay Requests should be reserved for help with the following

- Credit Consideration – Provide Target Premium
- Employee Benefits Liability
- Increased Fire Damage Limit
- Ordinance or Law
- Specific Types of Inland Marine Coverages Such as:
 - Transit
 - Installation Floater
 - Billboards
 - Bailee's (low limits)
 - Loading and Unloading for Household Goods Movers (MTC)
- Modifying Property Quotes to use Condo Form
- Additional Insured Forms
- Per Location Aggregate
